

Great River Gala:

April in Paris — A Taste of Place

Join us for a special evening of fun to support the Great River Road Visitor and Learning Center at Freedom Park! Friends of Freedom Park and Chez Ridgetop (AKA The Ridgetop, Main Building, W10506 Hwy. 10, Prescott) welcome you for an evening of wine sampling and French-inspired cuisine! Live music and engaging entertainment with dinner, desserts, a silent auction and much more! We will explore the concept of terroir (taste of place) and devour tasty foods and drinks created in the Confluence region

There is a lovely wine tasting featuring wines from Alexis Bailly Vineyard – with Special Guest and Winemaker Nan Bailly – who will also share impactful stories about how caring for her land and vineyard helps her to create award-winning, unforgettable wines year after year. French-inspired cuisine and desserts, music, silent auction and LOTS more fun!

We are still looking for sponsors and guests .
